My French Health Fact-File: Le Corps Humain

Learning objective: I can name parts of the body in French and describe their function using simple sentences.

About 15 minutes. Grown-up tip: Encourage your child to touch the body part as they say the French word aloud to help them remember.

Use this fact-file to label body parts and describe what they do. Remember that 'j'ai' means 'I have' and 'je utilise' means 'I use'.

Example: 'J'utilise mes yeux pour regarder.' (I use my eyes to look.)

- La tête (la tet) - head
- Les yeux (lay zyuh) - eyes
- Les mains (lay man) - hands
- Les pieds (lay pyay) - feet
- Le nez (luh nay) - nose
