Mon Style: Creating My Fashion Profile

Learning objective: I can describe items of clothing in French and express my personal opinions about them.

About 15 minutes. Grown-up tip: Encourage your child to say the French words out loud to practise their pronunciation.

Use this template to design your own fashion profile. First, choose the French words for your favourite clothes from the word bank. Then, write a sentence explaining why you like them using 'j'aime' (I like) or 'je n'aime pas' (I do not like).

Worked Example: 'J'aime mon pull bleu parce que c'est confortable.' (I like my blue jumper because it is comfortable.)

Word bank: un pull (oon pool) - a jumper · une chemise (oon she-meez) - a shirt · un jean (oon zhahn) - jeans · des baskets (day bas-ket) - trainers · une robe (oon robe) - a dress · confortable (kon-for-tabl) - comfortable · à la mode (ah lah mode) - fashionable · chic (sheek) - stylish · parce que (pars kuh) - because
