Rosa's Hobbies Art Studio

Learning objective: I can name and draw my favourite hobbies in French.

About 15 minutes. Grown-up tip: Encourage your child to say the French words out loud as they label their drawing.

Follow these steps to complete your French hobby scene. First, look at the word bank to learn the French words. Next, draw yourself doing your favourite hobby in the box below. Finally, label your drawing using the French words provided. Example: If you draw yourself reading, write 'la lecture' near your book.

Draw: Draw a scene of yourself enjoying your favourite hobby. Include background details like a park or a bedroom to show where you are. Use clear lines and add colour to your work. Label at least two items in your drawing using the French words from the word bank.

Label words: la lecture (la lek-TYUR) - reading · le football (luh foot-bol) - football · la natation (la na-ta-SYON) - swimming · le dessin (luh deh-SAN) - drawing · la musique (la myu-ZEEK) - music
