Rosa's French Classroom Adventure

Learning objective: I can identify and label common items found in a classroom using French vocabulary.

About 15 minutes. Grown-up tip: Encourage your child to say the French words out loud as they draw each item.

Rosa the parrot is helping us decorate our classroom! Use the word bank to label the items in your drawing. Remember: 'un' is for masculine nouns and 'une' is for feminine nouns. Example: If you draw a book, write 'un livre' next to it.

Draw: Draw a bright and colourful classroom scene. Include a wooden desk, a comfortable chair, a pencil case with pencils, and an open book. Make sure there is plenty of space around the objects so you can draw lines to your labels.

Label words: un livre (uhn leev-ruh) - a book · un crayon (uhn kray-on) - a pencil · une table (oon tah-bluh) - a table · une chaise (oon shez) - a chair · la gomme (lah gum) - the rubber

Steps:

1. Draw your ideal classroom desk. Include at least two of the items from the word bank and label them correctly in French.
2. Rosa says 'Bonjour!' (hello). Write a sentence in French to tell a friend what you have on your

desk. Use the pattern: 'J'ai...' (zhay) meaning 'I have...'.

3. Which word in our bank is used for a chair? Include the 'une' or 'un' as well.
