Rosa's French School Scrapbook

Learning objective: I can name items in my school bag and describe my school subjects in French.

About 15 minutes. Grown-up tip: Encourage your child to say the French words out loud to practise the pronunciation shown in the brackets.

Help Rosa the parrot organise her French school bag! Use the word bank to fill in the sections below. Remember, in French, some objects are masculine (le) and some are feminine (la). Example: If you have a pen, you write 'J'ai un stylo' (I have a pen).

Word bank: le crayon (luh cray-ON) - the pencil · la gomme (la gum) - the rubber · le livre (luh lee-vruh) - the book · les maths (lay mat) - maths · l'art (lar) - art · J'aime (zhem) - I like · J'ai (zhay) - I have

1. My School Bag: Look at the items in your bag. Write two things you have using the phrase 'J'ai'. (2 marks)

2. My Favourite Subject: Which subject do you enjoy most at school? Use the phrase 'J'aime' to write your answer. (1 mark)

3. The Classroom Match: Draw a line to match the French word to its English meaning (e.g., Le livre = The book). (3 marks)

4. French Sentence Builder: Use one 'J'aime' phrase and one 'J'ai' phrase to describe your school day in two sentences. (2 marks)

5. Rosa's Challenge: Rosa says 'J'aime les maths'. Can you write down what this means in English? (1 mark)

Draw: Draw your favourite item from your school bag inside a large, colourful school bag shape.

Extension challenge: Try to find out the French word for 'the teacher' and write a sentence saying 'I like the teacher' using 'J'aime'.
