Rosa's School Day in French

Learning objective: I can name classroom objects and say what I have in my school bag.

About 15 minutes. Grown-up tip: Encourage your child to say the French words aloud to help with their pronunciation.

Hello! I am Rosa the parrot. Let's learn how to talk about our school bags in French. Remember: 'un' is used for masculine nouns and 'une' is used for feminine nouns. Example: 'J'ai un livre' (I have a book).

Word bank: un livre (uhn LEE-vruh) - a book · une gomme (oon GUM) - an eraser · un stylo (uhn stee-LOH) - a pen · une règle (oon RAY-gluh) - a ruler · J'ai (zhay) - I have

1. Draw a line to match the French word to the correct English object:
1. un stylo a) ruler
2. une règle b) pen
3. un livre c) book (3 marks)

2. Fill in the gap. If you have an eraser, you write: 'J'ai ____ gomme.' (Hint: check if it is un or une). (1 mark)

3. Look at your own school bag. Write a sentence in French starting with 'J'ai' to say what you have. (Example: J'ai un stylo.) (2 marks)

4. Circle the odd one out in this list: un livre, un stylo, une règle, un cartable (school bag). Explain why it is the odd one out. Give a reason. (2 marks)

Draw: Rosa the parrot wearing a small school backpack, sitting next to a desk with a ruler, a book, and a pen on it.

Extension challenge: Can you draw your school bag and label three items in French? Write a sentence about your favourite subject, like 'J'aime les maths' (I like maths).
