What a secure answer looks like

A secure answer correctly matches the English action to the French infinitive verb provided in the word bank.

If your child is stuck

Ask the child to say the English action out loud, then look at the word bank to find the French word that matches the hint provided in the question.

Common mistakes to watch for

Children may confuse 'regarder' (to watch) with 'jouer' (to play) if they assume watching TV is a game, or they may misspell the French words by missing the '-er' ending.
