Remembrance Day: A Tribute to Peace

Learning objective: To understand the significance of Remembrance Day and identify key symbols associated with the annual commemoration.

Follow the instructions below to create your own commemorative scene. Use your best artistic skills to show respect and reflection.

Draw: Create a respectful, calm scene for a Remembrance memorial. In the centre, draw a stone monument or a wreath made of bright red poppies. Surround it with a peaceful nature scene, such as a meadow or a park, using soft colours. Include a clear sky. In one corner, draw a close-up of a poppy with a green stem. Label the key features of your drawing using the provided word bank.

Label words: Poppy · Wreath · Medal · Silence · Peace · Remembrance

Steps:

1. Why do we hold a two-minute silence on Remembrance Day?
2. What does the red poppy represent in our history?
3. Step 1: Draw a small poppy in the corner of your page and label it using the word bank.
4. Step 2: Draw a peaceful landscape scene that includes a memorial bench or stone.
5. List two words from the word bank that you have included in your drawing labels.
