# Building Our Kind Community

*Learning objective: I can identify how we contribute to our local community and why helping others matters.*

*About 15 minutes. Grown-up tip: Talk to your child about the different groups you belong to, like school, sports clubs, or your neighbourhood.*

A community is a group of people living or working together in the same place. We can help our community by being kind and helpful. Look at the scenarios below and decide if the action helps or harms our local community.

Example: Helping a neighbour carry their shopping bags. Answer: This helps the community because it is a kind act that makes life easier for others.

*Word bank: kindness · respect · cooperation · responsibility · support*

**1. Amira sees someone drop their litter in the park. She picks it up and puts it in the bin. Does this help the community? Explain why. (2 marks)**

**2. Kofi and his friends play football in the village green. They shout loudly at people walking their dogs. How could they show more respect to others? (2 marks)**

**3. The local library needs volunteers to put books back on the shelves. Why is this a good way for people to help? (2 marks)**

**4. Zainab notices a new child in her class who is sitting alone. What could she do to make the child feel part of the school community? (2 marks)**

**5. Max the monkey wants to help the neighbourhood save money. If he organises a book swap where everyone brings a book to share, why is this helpful? (2 marks)**

**Draw: A warm, colourful scene of children and adults working together in a community garden to plant sunflowers and vegetables.**

*Extension challenge: Design a poster for your local corner shop or library that encourages people to do one small act of kindness this week. Write a slogan at the top.*

**I did it!** **Name: _____** **Date: _____**
