The Kindness Advent Challenge

Learning objective: I can write a plan to show kindness to others during the month of December.

About 15 minutes. Grown-up tip: Encourage your child to think of realistic tasks they can actually do, such as helping with chores or giving a compliment.

Use this frame to design your own Kindness Advent. Think about small, helpful acts you can do at home, school, or in your neighbourhood. Example: 'On December 1st, I will help my brother tidy his toys.'

December is a magical time of year to spread warmth and joy to everyone around me.
