Max's Bonfire Night Celebration

Learning objective: I can draw a seasonal scene and label it using key vocabulary.

About 15 minutes. Grown-up tip: Talk to your child about why we celebrate Bonfire Night with lights and warmth during the cold month of November.

Max the monkey is watching a Bonfire Night display! Follow the steps below to draw your own night scene. Example: If you draw a bright sparkler, write the word 'sparkler' next to it.

Draw: Draw a nighttime garden scene. Use dark blue or black for the sky and bright oranges, yellows, and reds for the fire. Make the fireworks look like star shapes or wiggly lines.

Label words: bonfire · sparkler · night sky · firework · glow

Steps:

1. Step 1: Draw a large, bright bonfire in the centre of your page. Make it look warm.
2. Step 2: Draw three colourful fireworks exploding high up in the night sky.
3. Step 3: Draw a child holding a bright, glowing sparkler safely in their hand.
4. Step 4: Use your word bank to label the bonfire and one firework.

5. Step 5: Draw a small, sleepy hedgehog hiding near the bonfire to stay warm.
